What version of the B-hyve App do I have

B-hyve pro · https://husqvarna-water.com/knowledgebase/what-version-of-the-b-hyve-app-do-i-have/

When talking to our support teams they may ask which version of the app you are using. This can be found in the "My B-hyve" section of the app. the following instructions work for both the B-hyve and B-hyve Pro versions of the app.

How to identify your B-hyve App version

From the Home screen select "My B-hyve" in the lower right corner.

b·hyve PRO

94°/70°

Smart Outdoor Controller

Schedule | For You

Scheduled Programs

A

New Lawn will begin watering today at 10:30 PM.

In the "My B-hyve" screen, under all the menu options, the version and build number is listed on the right side.
