ABOUT HYDRO-RAIN

Hydro-Rain is a brand that reaches deep into the fabric of the Green Industry for over 50 years. Originally the brand was known for valve and controller innovation. Today, carrying on with tradition and raising the bar, Hydro-Rain is at the forefront of irrigation system processes and smart innovation. Hydro-Rain is owned by the Husqvarna Group with its primary office and distribution facilities in the vicinity of Salt Lake City, Utah.

ABOUT HUSQVARNA GROUP

Husqvarna Group is a global leading producer of outdoor power products and innovative solutions for forest, park, and garden care. Products include chainsaws, trimmers, robotic lawn mowers, and ride-on lawn mowers. The Group is also the European and North American leader in garden watering products and a global leader in cutting equipment and diamond tools for the construction and stone industries. The Group's products and solutions are sold under brands including Husqvarna, Gardena, Hydro-Rain, McCulloch, Flymo, Orbit, Zenoah, and Diamant Boart via dealers and retailers to professionals and consumers in more than 100 countries. Net sales in 2020 amounted to SEK 42bn and the Group has around 13,000 employees in 40 countries.
